Minding Animals Conference 5

It is with the deepest regret that the Board of Minding Animals International Incorporated has taken the decision that the Minding Animals Conference 5 that was scheduled to be held in Sydney/Gadigal Country in July, 2024, be now cancelled. The conference could not be ultimately achieved due to significant financial costs and a lack of requisite sponsors. The Board will meet shortly to discuss the opportunities that may be realised for future events.

We would like to thank the Convenor, Associate Professor Dan Ramp of the Centre for Compassionate Conservation at University of Technology Sydney, for all the effort made in trying to get the conference off the ground.
